

# Proven Medical Testing™ Strep A Rapid Test

Item #: PM-STR-01

Rapid immunoassay for detection of Group A Streptococcal antigens

**CPT Code:** 87880

**Box Count:** 25 tests/box

**Case Count:** 800 tests/case

## Key Benefits:

- Results in 5 minutes
- Sensitivity: 95.2%, Specificity: 98.0%
- Built-in visual control line
- No instrumentation required
- Compatible with nasal, throat, or NP swabs
- Ideal for point-of-care use

## Clinical Use:

For urgent care, family medicine, pediatrics, and long-term care settings.

## Quality & Performance:

- Detects Group A carbohydrate antigen via lateral flow
- Validated with clinical samples against culture
- No cross-reactivity with 25+ related organisms
